2. COMOR has this date reviewed the reports on attempts to obtain this photography and finds that the results are inadequate to meet the requirement.

25X1

4. COMOR has been requested by the Director, Program "B" to reaffirm the requirement for U-2 photography [] in connection with his operational planning. COMOR responds by reaffirming that there is a need for photography (of U-2 quality) but considers that decision on whether the U-2 or some other capability should be employed is not its decision.
